# ACCU Basics

- ACCU: Advisory Committee of CERN Users
- Review the practical means taken by CERN for the work of laboratory users
- <http://ph-dep-accu.web.cern.ch/ph-dep-ACCU/ACCU>
  - Agendas, minutes, topics, ...
- Next meeting on Sept. 8<sup>th</sup>, let me know if you have anything for the AOB.

# Users Office

- Your contact for CERN

Newcomers

Info about bus/shuttle/hostel

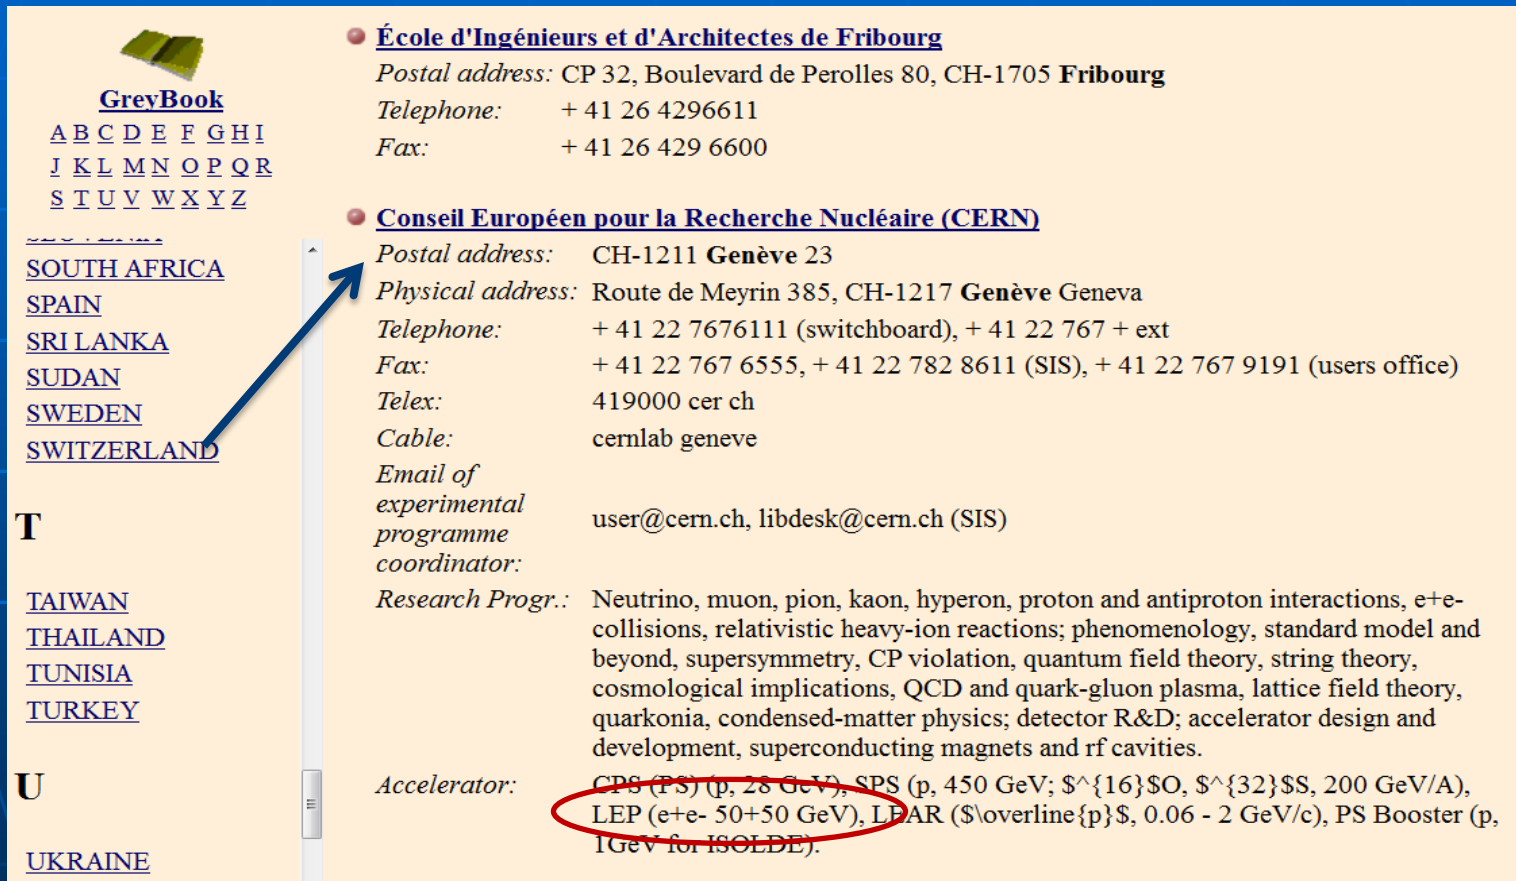

The screenshot shows the CERN Users' Office website. At the top, it says "European Organization for Nuclear Research" and "CERN Users' Office". There is a navigation bar with links: Home, For visitors, Contact, Index A to Z (highlighted in yellow), and U.O. Webcam. On the left, there is a sidebar with links: About us, Newcomers Guide, Check-In Procedure, Change of Status from 'Paid' or 'Partially' status to User, Termination, Life in Geneva, France, Sources of Information, and Experiment Secretariats. The main content area is titled "For visitors" and contains links: How to get to the CERN Users' Office, CERN Location, Users' Office location, and Geneva active map. Below this, there is a section "From Geneva Airport Cointrain and Airport Railway Station to CERN" with links for Regular CERN shuttle service MEYRIN - AIRPORT (except Saturdays, Sundays and public holidays) and a note: "\* Please note that the Bus stop at the Airport is located at the Door 1 departure area (next to the CFF train station)". There are also links for Map, Bus Y until CERN (direct but less frequent), and or Bus No. 57 until Meyrin/Vernes - at Vernes take Bus No. 56 until CERN (1change).

# CERN Code of conduct (1.7.2010)

- Common standards of professional behaviour based on CERN values (vs. Code of Ethics)
- Code is applicable to all CERN contributors, i.e. not only staff members but also the user community, subcontractors, consultants...

## **INTEGRITY**

Behaving ethically, with intellectual honesty and being accountable for one's own actions

## **COMMITMENT**

Demonstrating a high level of motivation and dedication to the Organization

## **PROFESSIONALISM**

Producing a high level of results within resource and time constraints and encouraging mutual understanding

## **CREATIVITY**

Being at the forefront of one's professional field, furthering innovation and organizational development

## **DIVERSITY**

Appreciating differences, fostering equality and promoting collaboration
