**Session Program**

**16-17 Jan 2007**

# LHC Post Mortem Workshop - I

## *Session 1*

CERN, 874/1-011

# Tuesday 16 January

## Session 1
**Session** | **Location:** CERN, 874/1-011

**09:30–10:00** **PM system architecture, front-ends, servers, triggering**

**Speaker**
Robin Lauckner

**10:00–10:30** **PM Data Collection and Storage"**

**Speaker**
Nikolai Trofimov

**10:30–11:00** **Coffee break**

**11:00–11:30** **SDDS to LabVIEW, the path from client data to viewing and analysis**

**Speaker**
Boris Khomenko

**11:30–11:45** **Alarms in relation with Post Mortem**

**Speaker**
Katarina Sigerud

**11:45–12:00** **Logging data in relation with PM and archiving**

**Speaker**
Ronny Billen
