

Virtual Docker Training

Contribution ID: 1

Type: **not specified**

Kickoff Gathering

Monday, July 27, 2020 3:00 PM (1 hour)

To start things off. We will describe the logistics of how the virtual event, as well as the hands-on sessions will work. If you cannot attend this one time, then don't worry, the recording will be posted shortly after.

Presenter: MEEHAN, Samuel Ross (CERN)
