

Universal Science

Online - 5 August 2020 - 20:00 CET

Curiosity, Diversity, Discovery

Universal Science is organized as part of the 40th International Conference on High Energy Physics ([ICHEP 2020](#))

PANELISTS

Patricia Rebello Teles

Suchita Kulkarni

Jennifer Ngadiuba

AGENDA:

20:00 - Introduction

20:10 - Shining a light on dark matter

20:30 - Strengthening physics through diversity

20:50 - Particle physics for the future

21:10 - Q&A and panel discussion

22:00 - End of programme

SPEAKERS

Caterina Doglioni

Kate Shaw

Jon Butterworth
