

Session Program

27 July 2020

First collaboration meeting on Physics and Experiments at a Muon Collider

***Experiment parameters and validation
software tools***

Monday 27 July

16:30

Experiment parameters and validation software tools

Session

16:30–16:40 **Physics Studies**

Speaker

Donatella Lucchesi

16:40–16:50 **Discussion**

16:50–17:00 **Past experience in design a muon collider detector**

Speaker

Ronald Lipton

17:00–17:10 **Detector Studies**

Speaker

Lorenzo Sestini

17:10–17:20 **CERN EP effort - past and future**

Speaker

Maurizio Pierini

17:20–17:30 **Present experience and discussion on tools**

17:30
