

## Transfer in Hanoi

In Hanoi you have to transfer from the International Terminal (T2) to the Domestic Terminal (T1). You can use the free Shuttle bus.

Follow the signs to go out of the terminal building (you are arriving in International Terminal, so the sign will say “**Shuttle Bus to T1**”):

It's a 5 minute ride. The distance is only 1.5 km but there is no sidewalk, so it is not recommended to walk.
