

Student Outreach Presentations

- Results -

Martijn Mulders & Markus Elsing
(CERN)

Thanks everybody for the truly amazing talks !!

By working together in the collaborative group projects you all succeeded to prepare well-structured, inspiring and original outreach-style talks, in the short amount of “free” time available during the School.

According to the Jury, the winning presentation was:

GROUP C

Congratulations Group C!

and: thanks to the Jury for the constructive feedback
