The screenshot displays the CERN Learning Hub interface. At the top, a dark blue navigation bar contains the CERN logo, the text 'Learning Hub', and several menu items: 'MY LEARNING', 'CATALOGUES', 'MY NOTIFICATIONS', 'MANAGER', 'REPORTS', and 'INSTRUCTOR'. A search bar is located on the right side of this bar. Below the navigation bar, the main content area is divided into several sections. On the left, there are four large, light blue rectangular buttons with icons: 'MY LEARNING' (book and monitor), 'BROWSE CATALOGUE' (telescope), 'SEARCH COURSE' (magnifying glass over a document), and 'MANAGE COURSES' (folder with gear). To the right of these buttons are two more buttons: 'MANAGE MY COURSES' (briefcase with gear and lightbulb) and 'DASHBOARD' (pie chart and grid). Below these is a 'MY TEAM REVIEW' button with an icon of three people. On the far right, there is a 'NEWS' section with a link to 'Karol's third (3) test Article' and an 'FAQ' section. The FAQ section is titled 'General questions' and lists several questions related to course enrollment, language training, and notifications. Below the general questions, there is a 'Specific questions related to' section with links for 'language training' and 'safety training'. The background of the interface features abstract, colorful geometric shapes in shades of blue, green, and pink.
