

# **IRIS-HEP Fellowship Presentations**

## **Report of Contributions**

Contribution ID: 1

Type: **not specified**

# **Accelerating Graph Neural Networks on CPU + FPGA co-processors for scalable track reconstruction tasks - Aneesh Heintz**

*Wednesday, 14 October 2020 12:00 (15 minutes)*

**Session Classification:** Presentation/Discussion

Contribution ID: 2

Type: **not specified**

## **SkyhookDM projection-only pushdown and Arrow dataset integration into Skyhook objects - Xiongfeng Song**

*Wednesday, 14 October 2020 12:15 (15 minutes)*

**Session Classification:** Presentation/Discussion
