

Dr. Huaqiao Zhang

Researcher at the Institute of High Energy Physics (IHEP), Geneva, Switzerland

Offering a **Full-time paid** job in **East Asia**

What job category are you offering a position for?

- **Postdoc**

What is the field of physics analysis expertise of the position which you are offering?

- **No expertise in physics analysis**

What is the field of physics object expertise of the position which you are offering?

- **Egamma**
- **Jets/Missing Et**
- **Tau**

What is the field of detector hardware expertise of the position which you are offering?

- **HGCAL**
- **Phase-2 Endcap**
