

Workshop on forward physics and QCD with LHC, EIC, and cosmic rays

Thursday, 21 January 2021

Coherent and diffractive scattering on heavy and light nuclei: Coherent and diffractive scattering on heavy and light nuclei
(10:30 - 15:30)

time	[id] title	presenter
10:30	Break	
11:00	[18] Coherent processes on light ions	SCOPETTA, sergio
11:30	[19] Nuclear shadowing in coherent processes	GUZEY, Vadim
13:30	[41] EIC forward detection	Dr JENTSCH, Alexander
14:00	[20] Photoproduction at EIC	STEVENS, Justin
14:30	[21] Discussion
