

COVID-19 HEALTH SAFETY MEASURES

The COVID-19 health crisis requires Health Safety measures in order to limit the spread of the virus.

At the latest on the day of your arrival at the School, you must produce the results of a test carried out 72 hours before.

Specific measures are implemented on the Ecole de Physique des Houches and surroundings. Your presence on the site requires that you respect them.

These measures are as follows:

- Minimum Social Distance of 1 meter
- Use the relevant preventive measures
- **Masks must be worn at all time on the site** and also in the Lecture Hall
- **Cécile DeWitt Building:** respect the one-way system → entry through the main hall and exit through the door leading to the courtyard. Hand Disinfectant Dispensers at the entrance
- **Lecture Hall:** respect the one-way system → entry through the main door and exit at the rear, at the top of the seats
Use the same seat all day
- **Reception/administration:** 1 person at a time in the Office
- **Restaurant:** respect the one-way system → entry through the main door and exit through the emergency exit to the terrace. Hand Disinfectant Dispensers at the entrance
- Photocopier, self-service computers: disinfectant is at your disposal nearby
- Use of coffee machines and kettles: hand washing with soap is mandatory before use. Disinfectant is at your disposal near the appliances

Liquid soap is at your disposal in each of the shared toilet facilities (Cécile DeWitt Building and Restaurant) and private toilet in the bedrooms.

Washable Fabric Masks are available at the Secretary's Office at a cost of 8.70€.

Any health problems must be reported to the Secretary's Office (temperature, cough, etc.).
