

# Diffraction and multiple gluon production from JIMWaLK formalism

*Tuesday 17 April 2007 09:00 (20 minutes)*

Diffraction and Multiple Gluon Production from JIMWaLK formalism

**Primary author:** LUBLINSKY, Michael (Stony Brook University)

**Presenter:** LUBLINSKY, Michael (Stony Brook University)

**Session Classification:** Diffraction and Vector Mesons

**Track Classification:** Diffraction and Vector Mesons
