

Measurements of phi mesons from hadronic and leptonic decays at RHIC by PHENIX

Thursday 19 April 2007 09:40 (20 minutes)

Measurements of phi mesons from hadronic and leptonic decays at RHIC by PHENIX

Primary author: HUANG, Shengli (PHENIX Collaboration)

Presenter: HUANG, Shengli (PHENIX Collaboration)

Session Classification: Diffraction and Vector Mesons

Track Classification: Diffraction and Vector Mesons
