

Effective Field Theory in Polarised VBS

Tuesday, 22 September 2020

EFT (09:00 - 10:30)

-Conveners: Mathieu Pellen; Ilaria Brivio

time	[id] title	presenter
09:00	[1] EFT interpretation of the Higgs boson production cross-section measurements in the $4l$ decay channel	WALBRECHT, Verena Maria
09:30	[7] Vector boson polarizations in the decay of the Standard Model Higgs	MAINA, Ezio
10:00	[2] Addressing polarizations in EFT, theory review and open questions	GOMEZ AMBROSIO, Raquel Dr GOMEZ AMBROSIO, Raquel
