

Session Program

22 September 2020

Effective Field Theory in Polarised VBS
Polarisation

Tuesday 22 September

16:00

Polarisation

Session | **Convener:** Giovanni Pelliccioli

16:00–16:30

WZ polarization and WZjj-EW measurements with ATLAS

Speaker

Francesco Costanza

16:30–17:00

Polarisation in MG / MC simulations

Speaker

Diogo Buarque Franzosi

17:00
