

# Meeting of High Energy Physics, Cosmology and High Energy Astrophysics

## Thursday, 26 November 2020

### Dark Matter and Beyond Standard Model Searches (13:30 - 14:30)

time	[id] title	presenter
13:30	[53] CMB spectral $\mu$ -distortion during phase transition in the Bound Dark Matter (BDM) model	HENRÍQUEZ , Raúl
14:00	[26] Exploring new physics through extended Higgs sector	CABRERA CATALAN, MARIA EUGENIA

# Monday, 30 November 2020

## Dark Matter and Beyond Standard Model Searches (11:00 - 12:00)

time	[id] title	presenter
11:00	[43] New Searches for Dark Sectors in Neutrino and Kaon Experiments	HOSTERT, Matheus
11:30	[5] Axion dark matter search at CAST with the RADES detector	ARGUEDAS CUENDIS, Sergio
