

Session Program

2 September 2020

**Repository for the FCC LOIs submitted to
Snowmass**

Contributions to the Instrumentation Frontier

Wednesday 2 September

10:00

Contributions to the Instrumentation Frontier: FCC-ee

Session | Location:

10:00-10:01 IDEA detector Letter of Intent**10:01-10:02** The IDEA Drift Chamber for a Lepton Collider**10:02-10:03** μ -RWELL detector Letter of Intent**10:03-10:04** Dual-Readout Calorimetry**10:04-10:05****Detector optimisation and detector technology R&D for the CLIC detector and for the CLD detector of FCC-ee**

11:00

11:00

Contributions to the Instrumentation Frontier: FCC-eh

Session | Location:

11:00-11:01**Detector solutions for Lepton-hadron Scattering based on the LHC and FCC**

12:00
