

Welcome to

Tools for High Energy Physics and Cosmology

2-6 November 2020

IP2I, Lyon

Organizing Committee

- Alexandre Arbey
- Geneviève Bélanger
- Nazila Mahmoudi
- Pat Scott
- Peter Skands
- Grégoire Uhlich

Please contact any of us in case of technical problems or questions

Scientific Programme

5 main sessions:

- **Mon:** Dark Matter
- **Tue:** Collider physics
- **Wed:** Cosmology
- **Thu:** Higgs, Flavour and precision
- **Fri:** General tools

Mornings: Main talks

Afternoons: A few talks from the US time zones

Tutorials and demos

Tutorials

Free / do-it-yourself format

Instructions provided ahead of time by the speakers, and uploaded in indico

Participants can attempt the tutorials on their own during the afternoon

The allocated time in the program is where the authors will be available for expert help, troubleshooting, etc.

Connection Information

Main conference room for talks: <https://cern.zoom.us/j/92384866230>

Speakers and chairpersons, please stay within the allocated time!
(discussions can continue on Mattermost)

- Please use the “raise hand” button if you want to ask a question
- Please turn your camera off by default, to reduce traffic
- The speakers and session conveners are welcome to turn on their camera
- Same for people who ask questions during the Q&A.

Make the conference less “virtual” 😊

Connection Information

Links to tutorial rooms:

- Room A: <https://cern.zoom.us/j/95672551491>
- Room B: <https://cern.zoom.us/j/99181471337>
- Room C: <https://cern.zoom.us/j/98884577126>
- Room D: <https://cern.zoom.us/j/93894272548>
- Room E: <https://cern.zoom.us/j/92646313271>

Passcodes sent by email to participants.

Discussion room: Mattermost

<https://mattermost.web.cern.ch/tools2020>

Proceedings

The proceedings of the workshop will be published online by *Proceedings of Science*

The procedure for submission and the required style-file is describe on <http://pos.sissa.it/POSauthors.html>.

There is **no page limit** for the contributions.

The deadline for submitting contributions is **December 15th 2020.**

Let's get started!
