

Session Program

9-10 Nov 2020

Forward Physics Facility - Kickoff Meeting

***Implications for general-purpose MC event
generators and non-perturbative
uncertainties***

Tuesday 10 November

17:00

Implications for general-purpose MC event generators and non-perturbative uncertainties

Session | **Convener:** Holger Schulz

17:00–17:15 **Forward Physics in PYTHIA 8**

Speaker

Torbjorn Sjostrand

17:20–17:35 **General Purpose MC Forward Physics**

Speaker

Frank Martin Krauss

17:40–18:00 **Further thoughts..... & Discussion**

Speaker

Dr Holger Schulz

18:00
