

# ECFA Detector R&D Roadmap

**Wednesday, March 24, 2021 - Sunday, July 30, 2023**

## Symposia

	webcast*	webcast*	webcast*	220	504
E Max. number of concurrent views	230 + 123 webcast*	76 + 17 webcast*	130 + 5 webcast*	100	275

Nine one-day symposia took place as listed below. The attendance was as follows.

Thanks a lot for attending and contributing to the discussions!

The number of registrants at the time just after the last symposium was 1359. You can still register on: [Registration Link](#) to be included in the e-group of the ECFA Detector R&D.

The Drafting sessions of the Roadmap Document are taking place May 25-28, 2021. The first day which summarizes the input is public and can be follow via [LINK](#)

## Task Force 1: Gaseous Detectors

Symposium date: Thursday 29.4.2021  
[Indico link to agenda](#)

## Task Force 2: Liquid Detectors

Symposium date: Friday 9.4.2021  
[Indico link to agenda](#)

## Task Force 3: Solid State Detectors

Symposium date: Friday 23.4.2021  
[Indico link to agenda](#)

## Task Force 4: Photon Detectors and Particle Identification Detectors

Symposium date: Thursday 6.5.2021  
[Indico link to agenda](#)

## Task Force 5: Quantum and Emerging Technologies

Symposium date: Monday 12.4.2021  
[Indico link to agenda](#)

## Task Force 6: Calorimetry

Symposium date: Friday 7.5.2021  
[Indico link to agenda](#)

## **Task Force 7: Electronics and On-detector Processing**

Symposium date: Thursday 25.3.2021  
Indico link to agenda

## **Task Force 8: Integration**

Symposium date: Wednesday 31.3.2021  
Indico link to agenda

## **Task Force 9: Training**

Symposium date: Friday 30.4.2021
