

**Session Program**

**24-28 Jan 2011**

**CERN Winter School on Supergravity, Strings,  
and Gauge Theory 2011**

***Supersymmetry in Field Theory and Gravity***

CERN, 222/R-001

## Monday 24 January

11:00

12:00

12:00

13:00

### **Supersymmetry in Field Theory and Gravity**

**Session** | **Location:** CERN, 222/R-001 | **Convener:** Zohar Komargodski

### **Supersymmetry in Field Theory and Gravity**

**Session** | **Location:** CERN, 222/R-001 | **Convener:** Zohar Komargodski

## Tuesday 25 January

09:30

10:30

### **Supersymmetry in Field Theory and Gravity**

**Session** | **Location:** CERN, 222/R-001 | **Convener:** Zohar Komargodski

Thursday 27 January

15:30  
|  
16:30

Supersymmetry in Field Theory and Gravity

Session | Location: CERN, 222/R-001 | Convener: Zohar Komargodski
