

# System performance paper

P. Franchini

**MICE CM 57**  
**October, 22 2020**

# Current status

- **May-July:** we had reviews of the MICE Note draft with Alan and Ludovico
  - finalized the paper structure and the plots content
  - addressed few rounds of comments
- **July:** the Editorial Board has agreed to move from the MICE Note into a first paper draft
- **August:** the first draft has been sent back to referees
  - wording/language
