

Session Program

1 August 2011 to 2 September 2011

**TH - LPCC Summer Institute on LHC Physics -
THLPCC11**

Open forum for short contributions

CERN, TH Theory Conference Room

Friday 12 August

09:00

Open forum for short contributions

Session | Location: CERN, TH Theory Conference Room

09:00–09:20

Gluon-Gluon contributions to WW production and Higgs interference effects

Speaker

Ciaran Williams

09:30–09:50

Precise predictions for Higgs production Beyond the Standard Model

Speaker

Dr Elisabetta Furlan

09:50–10:20

Colour-friendly FKS subtraction

Speaker

Stefano Frixione

12:00
