

Session Program

1 August 2011 to 2 September 2011

**TH - LPCC Summer Institute on LHC Physics -
THLPCC11**

Use of collider data for PDF analyses

CERN, TH Theory Conference Room

Monday 1 August

14:00

Use of collider data for PDF analyses

Session | Location: CERN, TH Theory Conference Room

14:00-14:30 **PDFs at the LHC -- some issues, comments and questions**

Speaker

Dr Robert Samuel Thorne

14:50-15:20 **The impact of present and future LHC data on parton distributions**

Speaker

Alberto Guffanti

15:40-16:00 **PDFs with the LHeC**

Speaker

Max Klein

18:00
