something about

510

AN INITIATIVE OF
THE NETHERLANDS
RED CROSS

510 million square kms
total surface of the earth.

We aim to help every Red Cross
national society in need anywhere.

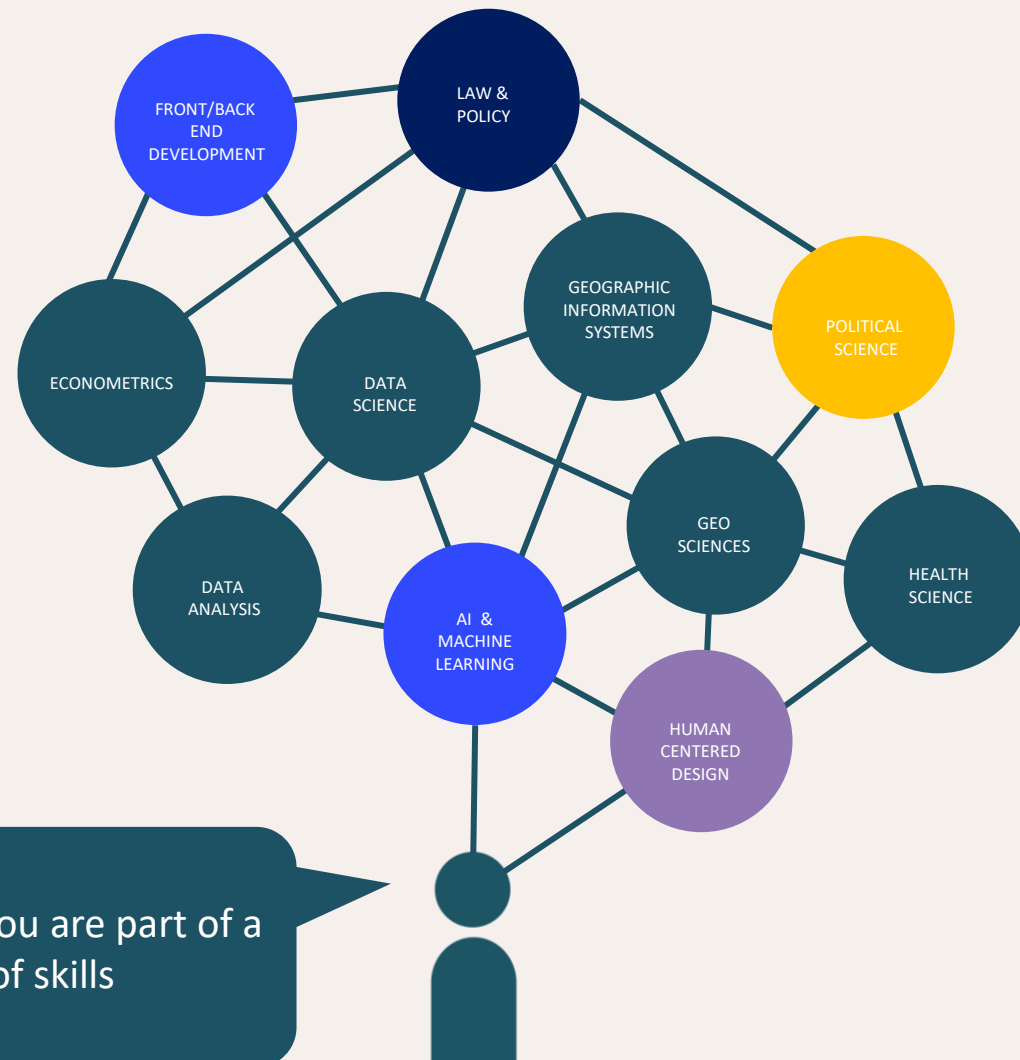

Our purpose is to improve speed, quality & cost-effectiveness of **humanitarian aid** by using & creating **data & digital** products.

We work on **natural disasters**, before and after they happen

DISASTER RESPONSE PHASES

Our team skills
Are cross pollinated

As part of 510 you are part of a
larger network of skills

We embrace volunteerism
With a 1 staff to 5 volunteer ratio
