

Teachers' Lab @ CERN

A Working Group Proposal

The Questions

The Work to be done

Experiment Documentation

- ✓ Is the documentation sufficient?
- ✓ Does it address what you need to be addressed?
- ✓ Is it available in your language?

Experiments

- ✔ Are the experiments easily usable?
- ✔ Which ones are missing?
- ✔ Mount (and document) ...
 - ... a cloud chamber for the lab
(and package it for distribution)

How should a future lab look like?

- ✓ The new μ Cosm ...
- ✓ ... a place for classroom activities?
- ✓ ... a place to present experiments?
- ✓ ... a place for ...?

For whom should it be open?

- ▼ longer-term programmes?
- ▼ short-term programmes?
- ▼ day visits?

- ▼ teachers only?
- ▼ teachers with classes?

... and many, many more!

- ✔ What are YOUR questions?
- ✔ What are YOUR ideas?
- ✔ Would YOU want to run it?

See YOU at the WG!
