

Session Program

6-10 Sept 2010

**CKM2010 - 6th International Workshop on the
CKM Unitarity Triangle**

Joint Session

University of Warwick

Thursday 9 September

16:45

Joint Session

Session | **Location:** University of Warwick, LT3 | **Conveners:** Achille Stocchi, Gino Isidori

16:45–17:15 **CKM fits and model-independent constraints on physics BSM**

Speaker

Achille Stocchi

17:15–17:45 **Flavour physics in models with warped extra dimensions**

Speaker

Gilad Perez

17:45–18:05 **Quark flavour mixing with Right-handed currents**

Speaker

Katrin Gemmler

18:05–18:25 **Flavour physics with a 4th generation**

Speaker

Tillman Heidsieck

18:25–18:45 **Flavour physics in models with 2 Higgs doublets**

Speaker

Martin Jung

19:00
