

# SHINE Autumn School @ CERN 2020: a first look into data

Andrey Seryakov

SHINE outreach coordinator

26/10/2020

**SHINE Autumn School @ CERN**  
**Physics and Facility**  
for university students and young researchers

heavy ions  
neutrino  
cosmic rays  
beams & detectors  
software

26-30/10/2020 at ZOOM

Organizers: the NA61/SHINE collaboration

Event: <https://indico.cern.ch/event/963826/>

Collaboration: <http://shine.web.cern.ch/>

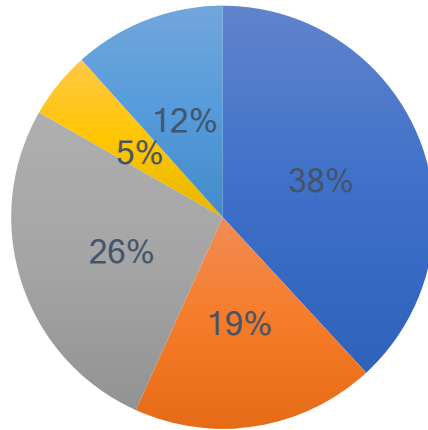

Instagram: shine.experiment

If you have any questions: [shine.outreach@cern.ch](mailto:shine.outreach@cern.ch)

# Who are you?

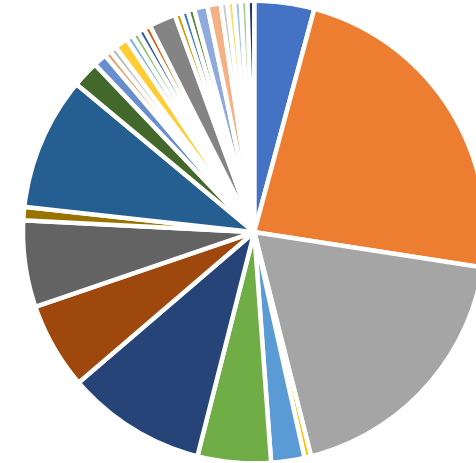

## Position

- Bachelor students
- Master students
- PhD students
- Post docs
- Others\*

\* Others are people for whom the school is not aimed for: professors/people without position in Academia/high school students (there is one) and so on.

## Country

- |               |                              |                |
