

**Session Program**

**2-3 Nov 2020**

**4th Workshop on LHC detector simulations**

***Hadronic physics validation + Other topics***

CERN, Remote meeting

## Tuesday 3 November

16:40

### Hadronic physics validation + Other topics

**Session** | **Location:** CERN, Remote meeting | **Conveners:** Alberto Ribon, Witold Pokorski

16:40-17:30

### Constraining the anti-deuteron nuclear inelastic cross-section with ALICE

**Speaker**

Ivan Vorobyev

18:00
