

Topological Effects in the Standard Model: Instantons, Sphalerons and Beyond at LHC

Contribution ID: 6

Type: **not specified**

Simulation and phenomenology of Instanton- and sphaleron-induced processes (20+5)

Friday 18 December 2020 15:00 (25 minutes)

Presenters: PLAETZER, Simon (ITP, Universitaet Karlsruhe); PLATZER, Simon (University of Vienna (AT))

Session Classification: Collider Signatures
