

Closing Remarks

OFFSHELL 2021

THE VIRTUAL HEP
CONFERENCE

RUN 4

HL LHC

Many Thanks and Follow Ups

- To all Presenters and Contributing Teams
 - For their overview on the challenges and plans of the LHC Experiments
 - For their new ideas on things which we can do during the High Luminosity Phase
 - These ideas are urgently need to keep our field vibrant
- To the Audience
 - For nice and fruitful discussions
 - We hope you also could establish some connections and enjoyed the networking opportunities
- Some Follow Ups
 - We will announce the winners of the best paper and best poster next week on our conference page!
 - The referee process of the selected papers is ongoing and we hope that this will be concluded in the coming weeks. If you experience long delays, do not hesitate to contact us

Now again opportunity to mingle in the poster room
