PASIŪLYMAS ĮMONĖMS

Europos branduolinių mokslinių tyrimų organizacija **CERN** ieško įmonės, galinčios gaminti lanksčius, vandeniu aušinamus varinius kabelius. CERN norėtų įsigyti kabelių projektavimo, gamybos, testavimo ir įdiegimo paslaugas organizacijos padalinyje Prancūzijoje.

Susidomėjusias įmones kviečiame iki birželio 21 d. susisiekti su mūsų konsultantu dr. **Adomas Jelinskas** el. p. ajelinskas@lic.lt arba tel.

+37065519090.
