

Study of scintillating materials by synchrotron radiation

Wednesday 30 June 2021 15:15 (15 minutes)

Primary author: PANKRATOV, Vladimir (Institute of Solid State Physics, University of Latvia)

Co-author: POPOV, Anatoli I. (Institute of Solid State Physics, University of Latvia)

Presenter: PANKRATOV, Vladimir (Institute of Solid State Physics, University of Latvia)

Session Classification: Advanced Technologies: Materials

Track Classification: Detectors: CCC
