## **Session Program**

28-30 Jun 2021

## **1st CERN Baltic Conference (CBC 2021)** *National Activities and Education*

University of Tartu Institute of Physics, University of Tartu W. Ostwaldi Str 1, 50411 Tartu, Estonia

## Monday 28 June

State research programme in High-Energy Physics and Accelerator Technolo in Latvia Speaker Dr Karlis Dreimanis Location 1545-1650 The Baltic Teacher Programme @ CERN Speaker Jeff Wiener Location 1600-1615 Development of a Doctoral Study programme in Particle Physics and Acceler Technologies Speaker Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins Location 1615-1625 Particle Physics teaching at Vilnius University Speaker Thomas Gajdosik Location 1625-1635 CERN related physics teaching at Tartu University Speaker Laur Järv Location 1635-1645 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	n Latvia Speaker Dr Karlis Dreimanis Location 15:45-16:00 The Baltic Teacher Programme @ CERN	ogie
Speaker   Dr Karlis Dreimanis   Location     1545-16300   The Baltic Teacher Programme @ CERN   Speaker   Jeff Wiener   Location     15600-16:15   Development of a Doctoral Study programme in Particle Physics and Acceler   Technologies   Speakers   Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins   Location     1615-16:25   Particle Physics teaching at Vilnius University   Speaker   Thomas Gajdosik   Location     1625-16:35   CERN related physics teaching at Tartu Univeristy   Speaker   Location     1635-16:45   CERN activities at the Institute of Materials Science of Kaunas University of Technology   Speaker   Prof. Sigitas Tamulevičius   Location	Speaker Dr Karlis Dreimanis Location 15:45–16:00 The Baltic Teacher Programme @ CERN	
Dr Karlis Dreimanis Location	Dr Karlis Dreimanis Location 15:45–16:00 The Baltic Teacher Programme @ CERN	
15:45-16:00       The Baltic Teacher Programme @ CERN         Speaker       Jeff Wiener         Location       16:00-16:15         Development of a Doctoral Study programme in Particle Physics and Acceler Technologies         Speakers       Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins         Location         16:15-16:25       Particle Physics teaching at Vilnius University         Speaker         Thomas Gajdosik         Location         16:25-16:35       CERN related physics teaching at Tartu University         Speaker         Location         16:25-16:35       CERN related physics teaching at Tartu University         Speaker         Location         16:35-16:45         CERN activities at the Institute of Materials Science of Kaunas University of Technology         Speaker         Prof. Sigitas Tamulevičius         Location	15:45-16:00 The Baltic Teacher Programme @ CERN	
Speaker Jeff Wener         Location         1600-16:15 Development of a Doctoral Study programme in Particle Physics and Acceler Technologies         Speakers Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins         Location         16:15-16:25         Particle Physics teaching at Vilnius University         Speaker Thomas Gajdosik         Location         16:25-16:35         CERN related physics teaching at Tartu Univeristy         Speaker Laur Järv         Location         16:35-16:45         CERN activities at the Institute of Materials Science of Kaunas University of Technology         Speaker Prof. Sigitas Tamulevičius         Location		
Jeff Wiener Location	Speaker	
Location		
16:00-16:15         Development of a Doctoral Study programme in Particle Physics and Acceler Technologies         Speakers         Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins         Location         16:15-16:25         Particle Physics teaching at Vilnius University         Speaker         Thomas Gajdosik         Location         16:25-16:35         CERN related physics teaching at Tartu University         Speaker         Laur Järv         Location         16:35-16:45         CERN activities at the Institute of Materials Science of Kaunas University of Technology         Speaker         Prof. Sigitas Tamulevičius         Location		
Development of a Doctoral Study programme in Particle Physics and Acceler Technologies Speakers Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins Location 16:15-16:25 Particle Physics teaching at Vilnius University Speaker Thomas Gajdosik Location 16:25-16:35 CERN related physics teaching at Tartu University Speaker Laur Järv Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	-ocation	
Technologies Speakers Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins Location 16:15-16:25 Particle Physics teaching at Vilnius University Speaker Thomas Gajdosik Location 16:25-16:35 CERN related physics teaching at Tartu University Speaker Laur Järv Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	16:00-16:15	
Speakers Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins Location 16:15-16:25 Particle Physics teaching at Vilnius University Speaker Thomas Gajdosik Location 16:25-16:35 CERN related physics teaching at Tartu University Speaker Laur Järv Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location		erato
Dr Karlis Dreimanis, Silva Vitola, Prof. Marcis Auzins Location	-	
Location		
16:15-16:25       Particle Physics teaching at Vilnius University         Speaker       Thomas Gajdosik         Location       16:25-16:35         CERN related physics teaching at Tartu University         Speaker         Laur Järv         Location         16:35-16:45         CERN activities at the Institute of Materials Science of Kaunas University of Technology         Speaker         Prof. Sigitas Tamulevičius         Location		
Thomas Gajdosik Location   16:25-16:35 CERN related physics teaching at Tartu Univeristy Speaker Laur Järv Location   16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	16:15-16:25 Particle Physics teaching at Vilnius University	
Location		
16:25-16:35 CERN related physics teaching at Tartu Univeristy Speaker Laur Järv Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location		
Speaker Laur Järv Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	_ocation	
Laur Järv Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	16:25-16:35 CERN related physics teaching at Tartu Univeristy	
Location 16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	Speaker	
16:35-16:45 CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	Laur Järv	
CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location	Location	
CERN activities at the Institute of Materials Science of Kaunas University of Technology Speaker Prof. Sigitas Tamulevičius Location		
Technology Speaker Prof. Sigitas Tamulevičius Location		f
Prof. Sigitas Tamulevičius Location	•	•
Location	Speaker	
	Prof. Sigitas Tamulevičius	
1645 1655 Politic School of High Enorgy Dhysics and Assolarator Technolog	Location	
1645 IGEF Baltic School of Ligh Enormy Dhysics and Assolantar Technolog		
Datue School of High-Energy Physics and Accelerator lechnolog	16:45-16:55 Baltic School of High-Energy Physics and Accelerator Technolo	gies
Speaker		
Dr Karlis Dreimanis
