

IAS Program on High Energy Physics (HEP 2021)

Contribution ID: 122

Type: not specified

#1: RICH Detectors and Alternative/ Complementary Options for PID at Colliders

Friday, 15 January 2021 22:40 (45 minutes)

Scheduling Preferences

Presenter: DALLA TORRE, Silvia (The Italian National Institute for Nuclear Physics)

Session Classification: Mini-workshop: Experiment/Detector: Particle Identification and Associated Physics at e+e- Colliders

Track Classification: Experiment / Detector
