

Siam Physics Congress 2021

Monday 24 May 2021 - Tuesday 25 May 2021

Faculty of Science, Prince of Songkla University

Scientific Programme

Astronomy, Astrophysics and Cosmology

Accelerators and Synchrotron Radiations

High Energy and Particle Physics

Nuclear and Radiation Physics

Plasma Fusion and Technology

Ion and Plasma Physics

**Atomic Physics, Quantum Physics, Molecular and
Chemical Physics**

Quantum Technology

**Biological Physics, Biosensors and Chemical
Sensors**

Condensed Matter Physics

Surface, Interface and Thin Films

Magnetic and Semiconductor Physics

Material Physics

Nanoscale Physics and Nanotechnology

Energy Materials and Physics

**Environmental Physics, Atmospheric Physics,
Geophysics and Renewable Energy**

Optics, Ultrafast Phenomena and Photonics

Instrumentation, Metrology and Standards

Physics Innovation

Physics Education

Statistical and Theoretical Physics
