

Session Program

Nov 15 - 19, 2021

MT27, 27th International Conference on Magnet Technology

THU-PO3-611 Cable-in-Conduit and Other Internally Cooled Conductors

Fukuoka Convention Center

Thu, November 18

10:00 AM

THU-PO3-611 Cable-in-Conduit and Other Internally Cooled Conductors

Poster Session | **Location:** Fukuoka Convention Center

Manifestation of electromagnetic performance degradation of Nb₃Sn cable-in-conduit conductor in the change of its mechanical structure

Speaker

Mr Zichuan Guo

Structural Modeling of HTS VIPER Cable for High-Field Magnet Applications

Speaker

Zijia Zhao

12:00 PM
