

## Session Program

4-10 Feb 2021

## **Opportunities of OO and pO collisions at the LHC**

### ***Light-ion beams at the LHC***

CERN, Zoom

# Thursday 4 February

14:30

## Light-ion beams at the LHC

**Session** | **Location:** CERN, Zoom | **Convener:** Dr Marc Andre Jebramcik

14:30–15:00 **Preparing the CERN Ion Injector Chain for an LHC Oxygen Run**

**Speaker**

Reyes Alemany Fernandez

15:00–15:30 **LHC machine scenario for a short oxygen run**

**Speaker**

Dr Roderik Bruce

15:30–15:50 **Luminosity determination with heavy-ion beams at the LHC**

**Speaker**

Martino Gagliardi

15:50
