

Session Program

4-10 Feb 2021

Opportunities of 00 and $p0$ collisions at the LHC

Initial state

CERN, Zoom

Thursday 4 February

16:30

Initial state

Session | **Location:** CERN, Zoom | **Convener:** Dekrayat Almaalol

16:30–17:10 **Eccentricities in collisions with 16O and 12C**

Speaker

Wojciech Broniowski

17:10–17:50 **Initial state and non-equilibrium dynamics in small and large systems**

Speaker

Prof. Soeren Schlichting

17:50–18:05 **Coffee break**

18:05
