

Spirit of Darkness

Song of the birds –
dusk chorus, quitting.

The wind calms,
the Sun is sinking.

Night is coming, and
it finds you.

Csörgő, Tamás
2018. II. 1.

Spirit of Awakening

**You are awakened,
Night is passing.
The Sun is rising,
the wind starts to blow.
Song of the birds –
dawn chorus, starting.**

From Darkness

Do not come to talk,
Don't prove by a plot.
Mindlessly, don't measure,
Do not calculate for fun.
Don't talk without results,
Don't discourage students.

Csörgő, Tamás
2020. 12. 11.

The Light

**Encourage students,
Present new results.
Calculate to measure,
Measure to clarify.
Illustrate by a plot,
Come to interact.**
