Purpose of this Annual Meeting

- Obtain updates since last Meeting
- Comment & review plans for the coming year (Strategy Plan 2021-2025)
- Comment, recommend changes or improvements to the presented plans or activities, if deemed necessary
- Follow implementation of recommendations made
- All observations, suggestions, remarks are most welcome!

KEY ACHIEVEMENTS IN 2020 AT ID2 (GIVEN THE COVID PANDEMIC...)

- 278 MSc-level students from 25 universities were able to experience virtually the CBI offerings
 - Only 3 out of 17 planned courses were cancelled; rest all online
- Crowd4SDG started
- ATTRACT Phase-1 successfully completed
- ATTRACT Phase-2 awarded; ID2 to play a visible rôle in it

Structure of the Meeting

(<https://indico.cern.ch/event/984811/>)

- Morning: Physics-driven R&D activities at IdeaSquare; GRADE, ATTRACT
- Afternoon: Societal-driven student projects; other activities; resources
- Coffee Breaks: A dedicated Virtual Room created for those ISAB-members who wish to interact informally with other board members
- ISAB-G starts its deliberations at 12:55, other participants are invited to leave the Zoom meeting at that time
