

Year 1 (2021) IdeaSquare

ATTRACT Phase-2
Crowd4SDG

CBI-like student projects
(incl. GRADE)
CERN Community

External WS, Hacks,
Events (SDG)

Year 2 (2022)

ATTRACT Phase-2
Crowd4SDG

CBI-like student projects
CERN Community

External WS, Hacks, Events (SDG)

Start and continuation of Young Innovator & Entrepreneurs student projects

Kick-off Phase-2 projects start

WS Young Innovators

CBIx

Continue developing CBI-like concepts for citizen scientists

Continue CBI-like activities; organize special events for ATTRACT; new collaborations

Special Student Event

Special Student Event

Continue organizing CERN-targeted offerings

SPARKS

Continue hosting SDG WS, Hacks; Exec Mgmt offerings; pilots for Science Gateway

Science Gateway

More detailed breakdown expected to be similar to 2021

Year 3 (2023)

ATTRACT Phase-2
Crowd4SDG

CBI-like student projects
CERN Community

External WS, Hacks, Events (SDG)

Socio-economic WS Tech Trans WS 2nd WS Young Innovators Continuation of all ATTRACT-related projects; APC preparations

CBix Continue developing CBI-like concepts for citizen scientists End of Crowd4SDG

Special Student Event Special Student Event Continue CBI-like courses to support ATTRACT; new initiatives

Continue organizing CERN-targeted offerings SPARKS

Continue Exec Mgmt offerings; pilots for Science Gateway

More detailed breakdown expected to be similar to 2021

Year 4 (2024)

Running ATTRACT-projects, student projects, studies, AFC preparations

Pre-AFC WS

End of ATTRACT Phase-2 projects

Workshop Socio-economic study

AFAC, end of ATTRACT Phase-2

Continue CBI-like activities; organize special student events for ATTRACT; new initiatives

Special Student Event

Special Student Event

Continue organizing CERN-targeted offerings

Continue hosting SDG WS, Hacks; Exec Mgmt offerings; regular offering for Science Gateway

More detailed breakdown expected to be similar to 2021

Year 5 (2025)

If ATTRACT Phases 1 and 2 are repeated in Horizon Europe, organize Calls, support the projects involving students, organize periodic events

Continue CBI-like activities; organize special student events for ATTRACT; launch new GRADE initiatives for ATTRACT Phase-1

Continue organizing CERN-targeted offerings

Continue hosting SDG WS, Hacks; Exec Mgmt offerings; regular offering for Science Gateway

More detailed breakdown expected to be similar to 2021
