DELIBERATIONS

DELIBERATIONS: FLOOR IS OPEN

- Does the Strategy Plan 2021-2025 address the questions ISAB raised last year?
 - e.g. priorities; links to CERN (internal, Science Gateway, Garage...), communication...
- Is anything essential missing (what)?
- Is the presented direction and main emphasis in line with ISAB's recommendations from last year? Any new considerations?
- Is the resources plan feasible?
- Only limited time available today; if needed, a follow-up (Zoom) meeting can be organized
