EOS for Physics at CERN in 2020

Monday 1 March 2021 15:20 (20 minutes)

Our team is in charge of providing storage and transfer services for the LHC and non-LHC experiments at CERN. In this presentation we are going to walk you through the activities of the EOS operations team at CERN in 2020. We are going to focus on the achievements, hurdles and lessons learned throughout the past year.
