JOIN OUR ASP—Alumni Community

To answer the questions:

Where are they now? & What happened to the students after they attended ASP?

Send us:

- Short bio (historical narrative) & a few pics (3 –5) during your scientific research;
- Translate your bio in your native language (if you are capable);
- Advice or a quote that stuck with you.

NB:

Bios must be no more than 300 characters (including spaces),

If you were to write it in two languages, they would each have 150 characters.

A⁴ HOUR

To discuss about anything related to physics
