

28th January 2021 Data Protection Day

A joint event of
ESA – ESO – CERN

28th January is Data Protection Day

Established by Council of Europe in 2006

Commemorates signature of Convention 108 in 1981

- Convention for the protection of individuals with regard to automatic processing of personal data ("Convention 108")
- First legally binding international instrument in the data protection field
- Definition of data protection principles and privacy rights
- Ratified by 55 countries, and various observers

Purpose: raise awareness and promote privacy and data protection best practices

Activities organised by various actors

28.01.2021
