OnlyOffice and Collabora Online Experience at CERN

Monday 15 March 2021 10:10 (25 minutes)

Collaboration features are nowadays a key aspect for efficient team work with productivity tools. During 2020, CERN has deployed OnlyOffice and Collabora Online solutions and monitored their usage in CERNBox.

This presentation will focus on technical aspects of deploying and maintaining OnlyOffice and Collabora Online within CERN and their integration with CERNBox. It will also give an overview of our user community and the main challenges we face when interacting with these applications.
