

# Blois 2021: 32nd Rencontres de Blois on "Particle Physics and Cosmology"

## Tuesday, 19 October 2021

### Heavy Flavour Physics - Gaston d'Orléans (11:00 - 12:30)

time	[id] title	presenter
11:00	[104] New lepton universality results from LHCb and other rare decays	SMEATON, John
11:30	[105] B-physics anomalies: EFT analyses and simplified models	ALLWICHER, Lukas
11:50	[106] B-physics anomalies: UV models	LIZANA, Javier M.
12:10	[107] Discussion
