... as CP violation in neutrino physics
Charles University, Prague, 23-24.05.2013

Prague Colloquium - in a crucial moment for Strategy 2013

- 2011-2013 - Update of the European Strategy for Particle Physics
- 2013, 22... European Strategy Session of Council, the Strategy Document... and agreed by consensus
- 2013... meeting, first discussion of the Medium Term Plan with the S... into account
- ... formal adoption of the Strategy at the Special European of Council in Brussels,
- ... Council meeting, formal adoption of the MTP and the start of strategy implementation

Update of the European Strategy for F
2013 - European Strategy Session of Council
Discussed and agreed by consensus

2014 - Council meeting, first discussion of the
taken into account

2015 - formal adoption of the Strategy at
Session of Council in Brussels,

2016 - Council Meeting, formal adoption of
N part of Strategy implementation

- Ultra-high energy cosmic rays and puzzles in cosmology
- The Pierre Auger Observatory: the largest ever built and most sensitive
- Neutrinos and the search for new physics very deep in the Earth
- Spoiler alert!

Jan Ebr for the Pierre Auger Collaboration
